A Message from Governor Dave ...

The "I Believe" year is coming to a close. We have Imagined, we have Dreamed, we have Believed. Now, it is time to Succeed. As we finish the year, let us look at our opportunities to serve our kids. I am not just talking about our kids that we serve today. I am also talking about our kids of tomorrow. If we are not growing our clubs, if we are satisfied with the status quo, then the kids of tomorrow will not benefit from what our clubs have to offer. It is truly important to always strive for growth, to bring in new blood, new ideas and new ways of doing things. This generation of parents' time allotment is very small. To get them involved we need to think outside our norms and look at new ways to get them involved. We should not fear change but embrace it, strive for it and encourage it. Why, our kids need us to succeed. They need Optimism in the world. They need us and we need them. It is Time we **SUCCEED!** Together we can!

Bob McFadyen, OI Vice-President-Designate, and Penny

Bob is a Charter Member of The Kitchener West Optimist Club, Kitchener, Ontario, Canada. He has been an Optimist for 23 years. He is a retired Vice-President from Manulife Financial. Bob and Penny are excited to join us at our District Convention this year. They are the parents of Cheryl and Heather.

Currently OI Membership Chair, Bob is looking forward to spending the weekend with us and getting the opportunity to meet new Optimist friends, as well as renew friendships with Optimists we know. They look forward to working with you in training sessions and in general discussions as we share our pride and love for this great organization.

A Message from Mario (Mark) Wilson, Governor-Elect

Fellow Indiana South Optimists: Come to the District Conference and Annual Convention for a big time. Optimist International has some new material coming out and get a preview now of these exciting changes. Officer-elect training is where club leaders can gain skills to be effective and more efficient leaders. Renew friendships and make new friends, and have fun at the sessions and social activities. Please join Governor Dave's team and my team-to be as we work together to finish strong and re-start strong. It is vital that we continue to grow with new ideas, new energy, and keep recruiting new members. This annual convention is a time for all of us to join hands to make our clubs and our efforts strong.
