Dribbling Skill

Each participant will attempt to dribble through four cones and return through the course as fast as possible. Three points will be deducted from a base score of 75 points for each second of elapsed time. Example: if a participant takes 20 seconds to complete the course, the participant's score is 15. ($75 - (3 \times 20) = 15$)

of seconds - points deducted ($3 \times \#$ of seconds) = SCORE _____

Passing Skill

Each participant will be allowed 6 attempts, 3 bounces and 3 chest or overhead passes at the target from the assigned distance. Participants are allowed one step towards the Passing line and must not touch or go over it.

Distance from Target:

Age	Feet
8-9	12'
10-11	15'
12-13	18'

3 Direct Passes

3 Bounce Passes

5 points each time target is hit: SCORE _____
